

Miriam Bynum

Accounting Manager

Miriam is the Accounting Manager at Innosight. Prior to joining Innosight, Miriam worked as a Senior Accountant at Watts Water Technologies, a publicly-traded manufacturing company, where she assisted with the month-end close process and financial statement preparation.

Prior to this, Miriam worked as a Senior Accountant at Memento, Inc., a start-up enterprise fraud management company that was acquired by Fidelity Information Services. At Memento, she was responsible for the full accounting cycle, including accounts receivable and payable, along with the monthly close.

Miriam received a Bachelor of Science degree in Accounting, graduating Magna Cum Laude, from Merrimack College.
